

HKUST and Hong Kong Alumni Association of Beijing Universities co-organize the “Together with the Scientists – Nobel Laureates Visit HKUST” event, drawing nearly 200 students, faculty members and guests on campus, and an additional 2,000 online viewers from sister institutions across Mainland China.

A group photo of HKUST President Prof. Nancy Ip (fourth left), President of the Hong Kong Alumni Association of Beijing Universities LI Ran (fourth right), HKUST Provost Prof. GUO Yike (first right), Tsinghua Alumni Association Vice President Prof. JIANG Shengyao (second right) and Prof. Angela WU from Division of Life Science (first left), with three Nobel Laureates Prof. May-Britt MOSER (third left), Prof. Konstantin NOVOSELOV (second left) and Prof. Didier QUELOZ (third right).

HKUST President Prof. Nancy Ip delivers opening remarks.

Three distinguished laureates, including Prof. May-Britt MOSER (left), Prof. Konstantin NOVOSELOV (middle) and Prof. Didier QUELOZ (right), share groundbreaking insights.

The event includes a lively Q&A session that allows students and researchers to interact directly with the laureates.
